MASSEY ENGINEERING
Scholarships available to first year students
SCHOLARSHIPS AND AWARDS

GETTING A HELPING HAND WHILE YOU STUDY

There are more than 350 scholarships, awards and bursaries, worth over $3 million, available to Massey students at all levels. Many scholarships are awarded for academic achievement; others are available in areas such as sport, arts, or focused on specific fields of study. There are also a range of generic internal and external scholarships that you can apply for. They are available at various times throughout your study, or for your first year at Massey.

For first-year students, the Massey University High Achiever Scholarships are available. These scholarships recognise students who have demonstrated a high level of achievement in one of three categories - academic, creative and performing arts or sport. With so many different scholarships and awards available, the web is the best place to find out which one you might qualify for.

FOR THE LATEST INFORMATION ON SCHOLARSHIPS AND AWARDS AND DETAILS OF HOW TO APPLY, SEE:

RNZAF University Officer Scholarship

Want to get a degree but worried about the cost of tertiary study? An RNZAF University Scholarship could be the answer. You will earn while you learn, have your fees and accommodation paid for and – when you’ve got your degree – you can look forward to guaranteed employment and an exciting, challenging career.
**RNZAF Undergraduate Scholarship**

Each year the Royal New Zealand Air Force (RNZAF) sponsors selected candidates through their Degree studies. If you’re interested in Engineering, Logistics and Finance/Administration and would like a challenging and rewarding career without having a student loan haunting you for years to come, this could be your ideal start.

You’ll get your fees paid, a living allowance, and the chance to work during the holidays on an Air Force base.

---

Applying for a scholarship

There are different application forms for different awards. Please make sure you have the correct form. Most forms are available from Contact Centres, Massey University, Auckland, Palmerston North and Wellington, telephone 0800 MASSEY (0800 627739), email: Contact@massey.ac.nz.

• Please read the regulations carefully to ensure that you are eligible to apply for the particular scholarship or bursary.
• Complete the form in black pen, ensure you answer all sections correctly and that you have provided all the information requested, ie supporting statement, course proposal, birth certificate, etc.
• Do not send original documents, certified copies are acceptable.
• Do not include additional information, ie CV unless specifically requested to do so. It will not assist your application.
• All pages should be A4 size, single sided, and stapled (with one staple only) in the top right hand corner. Do not put your application in a folder.
• Ensure your completed application arrives at the Graduate Research School, or other address given on the form, on or before the closing date. No undertaking is given to accept late or incomplete applications. An acknowledgement letter will be sent to you on receipt of your application.

It is the applicant's responsibility to contact their referees and ask them to send their references to the Graduate Research School if requested to do so on the application form. If the referee's report is to be attached to the application, the referee should enclose it in a sealed envelope.

Remember that the selection committee members may have a large number of applications to read and they will not be impressed with illegible handwriting or poorly presented applications.
