

ICST'11

5th International Conference on Sensing Technology

Nov. 28 – Dec. 1, 2011 Palmerston North, New Zealand

Call for Papers

Massey University, New Zealand is pleased to announce that the 5th International Conference on Sensing Technology (ICST 2011) will be held during November 28 to December 1, 2011 at the School of Engineering and Advanced Technology, Massey University, Palmerston North, New Zealand.

ICST 2011 is intended to provide a common forum for researchers, scientists, engineers and practitioners throughout the world to present their latest research findings, ideas, developments and applications in the area of sensing technology. ICST 2011 will include keynote addresses by eminent scientists as well as special, regular and poster sessions. All papers will be peer reviewed on the basis of a full length manuscript and acceptance will be based on quality, originality and relevance. Accepted papers will be published in the conference proceedings. Any topic related to sensors, instrumentation and measurements are welcomed.

Paper Submission

Authors are invited to submit the full manuscript (4 to 6 pages including references) of their technical paper, for oral or poster presentation. Papers in pdf format may be uploaded via the web using EDAS paper management system at www.edas.info.

The MS Word and pdf template will available on the conference website. Final manuscripts are limited to six (6) A4 size pages.

In submitting a paper, the author(s) agree that, upon acceptance, they will prepare the final manuscript in time for inclusion in the published proceedings and will present the paper at the conference. The final manuscript will not be published without advance registration.

New Deadline for Manuscript Submission is 30th June 2011
